

BONNIE picks up her phone.

BONNIE

Hello? It's Bonnie Harris down at the Gander SPCA. I went down with the rest of the town to look at all those planes. Well, I got to wondering if there weren't any animals on them... No? There's no animals on those planes? Not A ONE?! (They hang up on her.) Okay, then. Thank you for your time.

(SHE sees Doug calling her on the caller ID.)

Doug!

(SHE answers the phone.)

Doug, are there animals on those planes?

DOUG

Uh... Probably?

BONNIE

"Probably." Are they "probably" feeding them then? I'm heading over.

DOUG

Bonnie, there's armed guards, the army, police everywhere—

BONNIE

Well, then they'll have to shoot me.

DOUG

Bonnie? Bonnie? Bonnie!

In Town Hall.

CLAUDE

We've been coming to the table.

GARTH

We've been coming to the table too!

CLAUDE

We've got the College, the churches and we've got the hotels for the crews. But we need your school buses. (*Supporters ad lib words of encouragement.*) We've got no effing way to get them there...

GARTH

Well, why don't you take them in your car? (*Supporters ad lib "Yeah why don't you take them?" etc.*)

CLAUDE

Yeah, I can fit four in my Corolla, that's a great start. (*Supporters ad lib "Yeah, that's a great start," etc.*)

GARTH

That's a great start.

CLAUDE

Great.

GARTH

Great.

CLAUDE

What's the point of an emergency if no one treats it like an effing emergency? ... And you can quote me on that.

HANNAH

The flight attendants keep telling us nothing's wrong - but I've got kids and I've got grandkids - I know when someone's hiding something. And when parents need their kids to stop asking questions... They start playing movies.

FLIGHT ATTENDANT

We ran through every movie we had: *Legally Blonde*, *Doctor Dolittle 2*, and... *Titanic*.

Do you mind if I sit here? I need to get some work done and there's some drunk people at the back of the plane singing at the top of their lungs.
