

SCARAMOUCHE

Oh my God. You're not telling me you haven't tried that?

BUDDY

(To GALILEO)

Yeah. Right. Like that's gonna work. Chicks, what do they know?

SCARAMOUCHE takes the tape and puts it in the broken TV. Magic happens. Lights etc. And QUEEN appears on the screen, silhouetted in the opening moment of Bo Rhap.

The opening Bo RHAP begins to play on the screen

**IS THIS THE REAL LIFE? IS THIS JUST FANTASY?
CAUGHT IN A LANDSLIDE NO ESCAPE FROM REALITY.
OPEN YOUR EYES. LOOK UP TO THE SKIES AND SEE.**

But then the screen crackles and the faces freeze.

SCARAMOUCHE

It's jammed. Can't you do something?

BUDDY

No way, sweet lady. Vy-day-ohs weren't like no iCloud. They were real, physical, spinning gizmos and when they jammed, they jammed.

SCARAMOUCHE

But what does it mean? And who were those four beautiful girls?

BUDDY

Not chicks, but dudes! I know these holy prophets! I remember them from the secret histories! They were members of a rock freedom fighter collective known as Queen!

SCARAMOUCHE

But what were they trying to tell us what does it all mean?

BUDDY

I... I think they're talking about.... The Internet!

SCARAMOUCHE

The Internet?

BUDDY

'Is this the real life? "Is this just fantasy?'

SCARAMOUCHE

And?

BUDDY

Cyber space! The sacred scroll speaks of a soulless, virtual world where the kids will be 'caught in a landslide' of Computer Recorded Autotuned Pop. C - R - A - P!

SCARAMOUCHE

Crap!

BUDDY

Exactly! The holy vy-day-oh-tappee predicted a time when CRAP would dominate the charts. Queen wanted the kids to open their eyes. Look up to the skies...

SCARAMOUCHE

And see.

BUDDY

Yes! Yes! That's why they buried the axe, the last instrument! So that one day the kids would stop stroking their phones and play live rock once again!

SCARAMOUCHE

But where? Where did they bury it? Where is the Living Rock! Where is the Place of Champions?

GALILEO has been silent since the Tape played. He is, transfixed -almost possessed. He feels the answer in him and around him. His head has been bowed but now he looks out and sings a single word - clear, loud and proud.!

GALILEO

Eo!

Hopefully, the audience will reply!
